SUMMER FUN

USATF-Long Island's Summer Twilight Meet Series is in full swing and has seen near record turnouts. Athletes from peewees to masters have been having a great time and we have seen some outstanding performances. We extend our thanks to Farmingdale, Walt Whitman, Hauppauge and St. Anthony's High Schools for their hospitality and assistance in making the meets so successful.

WORLD MASTERS CHAMPIONSHIP

Sacramento, California

We are anxiously waiting for news of our Long Island athletes who are taking part in the World Masters Championship which is being held in at Sacramento State as this is being written. We received some interim news from California telling us that Sue Nesbihal Cordero won a silver medal in her age group in the 8K Cross Country Run. Good job, Sue!

Watch for more results as we get them. Keep an eye on our website.
