

One Step Ahead

SUMMER SERIES – 2008

Summertime means Thursday evening Summer Series meets for USATF-Long Island. Once again, we are pleased that the Series attracted a large number of athletes ranging in age from Pee Wee – age 2 to Senior Masters – age 60+. The Mitchel Field meets saw a record number of participants. All competitors enjoyed the great meet held at Walt Whitman High School in South Huntington. Many thanks go to Track & Field Chair **Paul Schaefer** and Youth Chair **John Martin** for all their hard work in putting these meets together. Special thanks to Officials Chair **Bill Ott** and the many officials who helped make the meets a great success.

Thanks to Walt Whitman Track Coach Rob Conroy (far left) and the boys of the Whitman Track team for all the help they provided.
